

6 easy steps to order Blond Catering delicious Canapés.

Step 1 - Who is coming?

How many guests are you having at your function? We recommend at least six canapés per guest for the first hour of your function and more around lunch or dinner times.

Step 2 - Check out the Canapé menu

Choose the canapés from our menu cards on our web site that will suit your function and the varied tastes and dietary needs of your guests. We ask for a minimum order of 20 for any one canapés style and a total order of minimum 120 canapés.

Step 3 - Work your budget!

Select the menu package to suit your event from our three recommendations below. We can customise a package for larger or more unique occasions and can also happily cater for other styles of functions such as smorgasbord and breakfasts.

Please call Blond Chef Jesper to discuss.
